

## Hotel Specifications

Planning on attending the NFPA-1 2009 Code Seminar or NFIRS Overview Training? Many of the hotels have graciously offered to reduce the room rate for any attendee wishing to stay over on preceding or following the training. In most cases, the rate will be \$70 single and \$99 double. The group rate is only available on a limited number of rooms, so please reserve early if you need a room. When reserving a room, please call the hotel directly and reference “**NFPA Training**”; you may also need to have your state issued Deputy Card/Wisconsin Identification card at check-in.
